

POSTAL MAILERS

**We understand that
Postal Packaging forms
a vital part of your
business logistics.**

We use our expertise to advise customers on the most effective and efficient packaging solutions for their specific requirements, ensuring your goods arrive in despatch condition.

Jiffy Green Bags

Paper pulp filled postal bags are the environmentally friendly option.

- Contains recycled content
- Recyclable
- Compostable

This protective postal bag is made from 100% recycled paper, is compostable and is ideal for bulky or heavy items due to the high level of protective padding.

Each padded bag has a double glued bottom flap, seamless sides and a self-sealing adhesive strip*

***Please note that JPB8 in the range doesn't have a self-sealing adhesive strip**
