Who Are KB Packaging?

KB Packaging are specialist suppliers of innovative and quality packaging products, equipment and bespoke packaging solutions to B2B businesses across the UK with over **40 years** of experience within the packaging sector.

We use our expertise to advise you on the most effective and **efficient packaging solutions** for your specific requirements and business logistics, ensuring your goods arrive in despatch condition.

And with a huge range of products always in stock, you can be confident of having the supplies you need, when you need them. Together we can ensure your packaging is one thing you don't need to worry about. From our base in the **East Midlands**, we support manufacturing businesses, distributors, retailers, logistics and e-commerce vendors with a complete range of boxes, postal packaging and dedicated packaging equipment.

As a **family owned** and managed business, our values are central to everything we do. We believe that integrity, trust, honesty and a complete team commitment to helping our customers prosper are values that make all the difference. We go the extra mile because when your business prospers, then we do too. With KB Packaging, you can trust us and our products to deliver, every time.

Delivery

At KB Packaging, we know that packaging delays can impact production, dispatch schedules and customer service.

That's why we've built our distribution network around one thing – making packaging one less thing for your business to worry about.

Whether you're ordering stock packaging, pallet quantities, or repeat operational supplies, our delivery service is designed to get the products you need, where you need them, with speed and consistency.

Eastwood Express Transport are a subsidiary of KB Packaging offering a white glove transportation service across the UK. Eastwood are dedicated to delivering your products to their destination safely, securely and always on time. Eastwood Express own and employ all our own vehicles and drivers, resulting in unmatched service and quality.
